If You Ask Me

This column is dedicated to the expression of constructive views by residents of Griesbach on subjects of interest to readers of the Bugle.

This month's query — "As the result of a "Self-Help" project, Griesbach now has its own Curling Rink. How much more do you think Griesbach could achieve in this manner and with what type of project?"

We received the following replies from two interested residents:

* * *

"Some consideration should be given to acquiring a separate building for Scouts, Guides, Cubs and Brownies. We have 2 Scout Troops and 3 Guide Companies, and at least 5 of each Cub and Brownie Packs. Restrictions on the use of school facilities make the operation of these groups very difficult. We have done something for ourselves — let's do something for our children."

* * *

"If you ask me — the people who started the Griesbach Riding Club deserve special praise. Mrs. Elsie Salter gives riding lessons for which she does not charge the Riding Club even one penny. Mr. and Mrs. Brewer, and Mark Larkin, besides providing good riding for both adults and children at a ridiculously low cost, put on sleigh rides for members at twenty-five cents, and also put up with considerable personal inconvenience on account of the large numbers of children that arrive most days for riding. Because of the large numbers of children, it has been necessary to limit a child to three week day only one week-end ride. Parents should keep their children away from the Riding Club on days when they should not be riding."

COMING UP

As a service to readers, and because it shows a great many items of interest to everyone in Griesbach — children and grown-ups alike — the Bugle will publish a calendar of events each month.

Herewith the month of March. We suggest you clip it for your kitchen calendar:

RED CROSS MONTH

March 1st — St. David's Day.
March 2nd — Total eclipse of the moon.

March 3rd — Alexander Bell awarded patent for his telephone, 1876.

March 4th - 5th — Quebec Kanadahar, Mont Tremblant.

March 5th — Joseph Stalin died, 1953.

March 5th — Tyee Flying Skiis Championship, Calgary.

March 5th - 11th — National Education Week.

March 6th - 10th — Dominion Curling Championship, Calgary.

March 10th - 18th — Canadian National Sportsmen's Show, Toronto.

March 11th — National Holiday in Denmark.

March 12th — Sir Alexander

Mackenzie died, 1820.

March 12th - 18th — National Health Week.

March 16th - 18th — Winnipeg Boat Show.

March 17th — St. Patrick's Day — Newfoundland provincial holiday.

March 17th - 26th — Montreal Sportsmen's Show.

March 20th — Spring begins.

March 20 - 23 — Canadian Restaurant Association Annual Convention, Toronto.

March 23rd — Pakistan Day.

March 24th — Queen Mary died, 1953.

March 30th - April 1st — Western Canadian Bowling Championship, Winnipeg.

March 31st — Good Friday.

March 31st — Newfoundland became 10th Province of Canada in 1949.

THANKS FROM FIRE DEPT.

A letter of thanks from the Griesbach Fire Department to residents is published below:

Chairman,
Griesbach Association,
Griesbach Barracks,
Edmonton, Alta.
Dear Mr. Chairman:

Would you please convey my thanks on behalf of the Griesbach Fire Department to the members of your Association, for their support in Fire Prevention for the year, 1960.

This splendid support by the Association enabled the Fire Department to conclude its year of Fire Prevention activities with a Slo-gan Contest during Fire Prevention Week.

As a result of the co-operation of the Association, Units and residents of Griesbach, the Griesbach Fire Department's entry in the N.F.P.A. Fire Prevention Contest won the "First Award" for large Army Installations in Canada.

It is our hope that the Association will consider donating prizes each year during Fire Prevention

Your husband may be a big wheel on the base, but underneath that uniform he is a simple creature, with all the needs of the next human. So, give him a feeling of security and importance. Make him think he is eating better and receiving more tender loving care than he ever did before. Make home a refuge of peace and quiet.

With a little effort you'll succeed in making him a more efficient, well-adjusted and happier husband. You will add years to his life — and life to your years.

Don't try to remake him. Just

try to preserve him.

From "An Appeal to Wives" by Col. T. H. Crouch, Medical Group Commander, Carswell Air Force Base, Texas, in the Army-Navy-Air Force Journal (U.S.).

PARATROOPS ON EXERCISE

Airborne troops of the 2nd Battalion, Princess Patricia's Canadian Light Infantry from Edmonton, parachuted into Camp Wainwright, Alberta, to "wipe out" the enemy "Fantasian" forces — a company of the 2nd Battalion, Queen's Own Rifles of Canada from Calgary, who invaded the camp. It was all part of exercise "Snow Chinthe Two", an airborne-airlanded Army-RCAF exercise designed to test the two services in their defence of Canada's northland and one of the largest winter exercises staged in Canada this year. . . . Lieut. D. A. Smithies of 2 PPCLI, runs to gather his billowing cargo 'chute which dropped a toboggan with equipment.

(National Defence Photo)

After parachuting on Betty Lake in Camp Wainwright, Patricia's keep a watchful eye for the "enemy" as this RAT — a land-amphibious tracked vehicle goes by.

(National Defence Photo)

EXERCISE "SNOW CHINTHE TWO"

Lessons learned on the Exercise "Snow Chinthe Two" are now being studied at Western Command. The maneuver — which was the largest training exercise to be held in Canada this winter — was a joint Army-RCAF venture designed to test the staffs of both services in the event of an emergency. Also exercised were soldiers of the 2nd Battalion Princess Patricia's Can-

adian Light Infantry, commanded by Lt. Col. C. J. A. Hamilton, Brandon, Man.

The story of the exercise had it that a small but potent enemy force had landed on North American soil along the Alaskan Panhandle and a company had forced its way to Whitehorse in the Yukon. The Patricia's job was to seize an airstrip there in order that heavy

support could be flown in and the enemy exterminated.

The enemy were represented by a company of the 2nd Battalion Queen's Own Rifles of Canada from Calgary. They were dubbed "Fantasians."

For reasons of economy the area of Whitehorse was represented by Camp Wainwright, Alta., 140 miles south-east of Edmonton,

Lt. Col. C. J. A. Hamilton, (left), commanding Officer of the 2nd Battalion, Princess Patricia's Canadian Light Infantry, discusses operations with his battle second-in-command Major W. E. Hall.

The Alberta climate doesn't seem to bother Corporal Cecil Avery of New Waterford, N.S., as he has his morning wash in the great outdoors. He is a member of the 2nd attalion, Princess Patricia's Canadian Light Infantry, recently on exercise "Snow Chinthe Two" at Camp Wainwright, Alberta.

where the Army has a sprawling 625-square mile camp where maneuvers do not endanger the lives of civilians or damage civil property.

(Cont. on page 4)

EXERCISE "SNOW CHINTHE TWI"

(Cont. from page 3)

Feature of the exercise was a parachute drop by 150 soldiers of the Patricia's air-borne company together with their equipment and ammunition. The drop was made in good weather from C-119 Flying Boxcars of the RCAF. There were only minor injuries.

As the story developed, the soldiers gained initial success and then the Airforce brought in the rest of the battalion, flying some 60 sorties to do so. Featured on the airlift was the new giant four engine turbo-prop "Hercules" aircraft which landed and took off effortlessly on the camp airstrip which is little more than a stubble field.

Living out under field conditions in winter proved to be comparatively little trouble to the tough infantrymen, although by the end of the week-long exercise they were tiring as an active enemy gave them little or no sleep.

Co-directors of the exercise were Maj. Gen. Geoffrey Walsh, the general officer commanding Western Command and Group Capt. R. O. Shaw, commandant of the Canadian Joint Air Training Center at Rivers, Man., who acted for the Air Officer Commanding Air Transport Command, Air Commodore F. S. Carpenter.

In all, 15 aircraft from RCAF units participated, coming from Rockcliffe, Ont., Downsview, Ont., RCAF Station Namao, near Edmonton, and the Joint Air School at Rivers, Man.

Besides the Princess Patricia's, units taking part included No. 2 Air Observation Flight from Camp Shilo, Man.; No. 1 Airborne Signals Troop, No. 1 Airborne Medical Section and part of No. 1 Field Workshop, all from Calgary and No. 4 Transport Platoon from Winnipeg.

Members of 2 PPCLI gather up their equipment on toboggans which have been dropped from aircraft, and move off across the lake to encounter the "enemy." (National Defence Photo)

RETURN ENGAGEMENT

Canada's only touring dramatic company — the Canadian Players from Stratford — have taken to the road again and will be appearing in the Jubilee Auditorium in Edmonton, Friday, March 24th, in Shakespeare's "The Tempest" and Saturday, March 25th, in Brecht's "Caucasian Chalk Circle." This will be the first opportunity Edmontonians have had to see a performance of a play by Brecht, called by many the 20th century's greatest playwright. Many well-known Canadian performers of theatre and television are in the cast — among them Hugh Webster, Deborah Cass, Bernard Behrens and Yafa Lerner.

Canadian Players will be sponsored in Edmonton by the Canadian Women's Theatre Guild and tickets will be available after March 1st at the Allied Arts Council Box Office, Heintzman's. Telephone GA 2-8014.

DEVELOP NEW SHELL

Through the joint efforts of U.S. Army Ordnance engineers at Picatinny Arsenal at Dover, N.J., Defence Research Board scientists and Canadian Army engineers at the Canadian Armament Research and Development Establishment (CARDE) at Valcartier, Quebec, a new artillery shell for use in howitzers, has been developed. The new shell is capable of a substantially greater range than present standard shells fired from the same weapon.

Announcement of the development was made at the conclusion of a recent meeting of the U.S.-Canadian Technical Steering Committee.

A spokesman for the Canadian Armaments group noted that the joint effort has saved time, effort and money. "The experience for both countries has been broadened and the work has pointed the way

for future co-operative efforts in the armament field," he said.

The improved shell represents the marriage of a hollow-based projectile design conceived by Canadian engineers and the substitution, as the U.S. contribution, of a high strength cast iron for forged steel to produce the shell body.

POSTED TO CALGARY

Sgt. John Rasmussen of Carberry, Man., will be posted to the Calgary Signal Centre on March 1st, it was announced by Western Command headquarters.

A member of the Royal Canadian Signals, he has been employed as chief supervisor in the signal centre, Alberta Signal Squadron since 1957. Sgt. Rasmussen served with the Royal Canadian Air Force during the Second World War. Prior to his present posting, he was with the Camp Shilo signal office.

His wife Doris, and son Christian, 7, live at 10431 - 149th Ave., Edmonton.

Ladies' Bingo No. 1 School 8:00 p.m. 1 March '61

Young People's Association News

As of February 3rd, total money of which \$136.65 was deposited in assets of the club were \$153.45; the bank, not \$53.00 as was erroneously reported in last month's issue.

Record hops were held on January 20th and 27th.

A well-attended General Meeting was held February 3rd. The President of the Senior Executive, Major Middlemiss, was on hand, as well as Mrs. Harkness and Mrs. Delaney. As a result of the meeting Marian Ashmore and Roger Irwin were elected to the executive to replace Carol McLellan, social convener, and David Lewis, treasurer. A ways and means committee for the next three months was set up. It will operate under Marian Ashmore and is composed of Ann Hardige, Lynn Eberts, Bill Lucas, Donna Mooney and Sharon McCormick.

Bill was chosen as spokesman in airing views, opinions and suggestions from the floor.

Verna Delaney reported on the modelling show to be held March 18th at School No. 1. (See advertisement in this issue). This scheme will keep about 40 people busy, especially the girls. It is to be called Easter Parade of Fashions and is sponsored by Simpsons-Sears. There will be 15 actual models, to be trained by Simpsons-Sears personnel in the basic arts of modelling and make-up. The models will be able to choose their own fashions. The others will be

employed as dressmakers, fashion co-ordinator, commentator, decorations, publicity and in running the tea which will accompany the show.

Miss Delaney also reported on the matter of club sweaters. Bob Lucas, also reported on Curling Club sweaters. In both instances the sweaters are the same, being green and white, zippered, and costing \$9.50 each. "Perry Como" style sweaters will be available at \$10.00. However in order to take advantage of these special prices, at least 24 orders must be received. Members may forward their orders to Bob Middlemiss. The curling club sweaters will probably be distinguished by a crest.

Mrs. Harkness announced her resignation from the Senior Executive. We are sorry to see her go and thanks very much for helping us.

Maj. Middlemiss complained of the lack of response of parents when they are asked to assist the club in chaperoning various functions. He asked the members if they could "win their parents over to our side." With 116 members this year there should be no trouble in this regard. We feel there must be more parents interested in their sons and daughters.

In general the members called for more variety in future functions.

Officials of the Road Runners Car Club expressed their desire to co-operate with the Y.P.A. in that all their functions would not

coincide with those of the 'Teen Club and the Y.P.A. reciprocated in accordance with these views.

Members: Remember the next general meeting on March 31st.

We are glad to announce that, as of February 13th, the club has 117 members.

A C.J.C.A. platter party will be held on Friday, March 10th.

News to the effect that a co-operative store exists in a rural town is getting to be common place these days, in most prairie provinces. But the fact that ordinary consumer folk are establishing modern "Co-op Shopping Centres", of a size and character that equates nearly a Milion Dollars . . . is creating an impact. An impact that can only be surpassed by the news that the Red River (Winnipeg) Co-op is building its second Co-op Shopping Centre, costing more than \$650,000. And that the Calgary Co-op has opened its second Co-op Shopping Centre, of a similar size.

The New Edmonton Co-op Shopping Centre

Competition between Calgary and Edmonton has always been a tender topic to deal with, and there is no doubt that it played some part in spurring many of the patron members of the Edmonton Co-operative Association into going big. The fact that the merger of Federated Co-operatives Limited with its 460 consumer units, a membership of 160,000 consumer members across Manitoba and Saskatchewan had a lot to do with the big push in Edmonton too. Federated Co-operatives Limited, and the Alberta Co-operative Whole-

Shopping Centre can enjoy all its sale will legally merge on October 31st, 1961. This will add another 123 consumer Co-operative outlets to FCL's 460, and add the Alberta membership of over 45,000 consumer members.

This merger will tie in such facilities as the magnificent consumers' oil refiner, two lumber mills, a farm chemical operation, and many other facilities and the combined assets of the two wholesale-retail Co-operatives.

The advantages for urban patrons in Edmonton

The new Edmonton Co-op Shopping Centre, which will be relocated on 127th Avenue and 82nd

"one-stop" features, and become a joint owner or member of it for Street, will provide a full modern service in groceries, meats, frozen foods, fruits and produce, drugs, household appliances, dry goods, bakery, hardware, automotive accessories, TVs, furniture three-bay service station, savings & credit union, co-op insurance offices, and a thirty-six stool lunch counter. Nothing but the best, and in a location that will facilitate service personnel in the northern edge of the city, as well as patrons throughout the city, and adjacent rural areas.

You can join it for \$1.00

Patrons of this new modern Co-op

the sum of One Dollar. Further, they can individually invest in it and enjoy the advantage of earning 6% and 6½% interest annually on any monies that they invest in the Co-op. Investment is based on multiples of \$50.00.

It's Worth Looking Into

Anyone interested can either drop into the present Edmonton Co-op Store, or write the Membership Office, Edmonton Co-operative Association Limited, 11802 - 89th Street, and they can acquire detailed information about this New Edmonton Co-operative Association, and its Investment & Savings Program, without obligation.

It is worth looking into.

224 WORKSHOP RCME

Just returned to Sunny Alberta recently after breaking out of harness for a spell to enjoy a wonderful furlough in Ontario. The trouble with annual leave is that it is just long enough to make you wish you could stay longer.

S/Sgt. Bill Marriott is enjoying his day in the sun also. He has the travel bug and is seeing how the other half lives in Vancouver, San Francisco, Reno, etc. Bill reports that he travelled on the maiden voyage of the Oriana, largest passenger cruise ship to arrive in Vancouver.

L/Cpl. Phelps picked a likely spot to enjoy part of his winter — Las Vegas, California, etc.

We would like to welcome Cfn. Cowan and his family to the workshop. He comes from 4 Fd Wksp NWE. Cpl. Cunningham from Calgary. (Softball and fastball coaches take note of the latter's prowess in this field). Cpl. Gay from 10 PD (Ex Germany) back for seconds. Welcome home again, Jim.

Also from 4 Field Workshop, Germany — Cfn. Poytress just arrived with his family and is setting up housekeeping.

Friends will miss WO2 Rutherford when he leaves for his posting to RCAF Station at Greenwood,

N.S., to work on the Whirley Birds.

Sgt. Boyd Nelles will soon partake of a Weapons Conversion course at the RCME School, as a further step towards his target of Weapons Artificer. This training will make him eligible for the coveted Tech A Grading.

Capt. Parton, OC 224 Wksp. RCME, has completed a short course on super "firecrackers" warfare at Calgary.

Cpl. Jack Wilson is at the RCME School on a Senior NCO Course, followed by his colleague Doc Folkard on a C42 eqpt course.

Our staunch supporter of the RCR tradition, ex-member Corporal Quelch, will spin a yarn or four of the tin-helmet variety at the coming "Paardeburg" re-union.

Miss Sherbrick has a spanking new electric typewriter. No erasing, of course, with rubber necessary — simply reverse the power plug.

Cpl. Jim Post is sporting a snazzy car around town. The boys say it runs on peanuts.

RCME Valentine's Dance was a smashing success.

Corps rivalry is intimated by an elusive rumour that Col. Goodfellow is challenging the best of 224 Wksp - 13 Coy Curling Team to a sudden death final. Perchance is such an event should be forth-

coming, we shall endeavour to court the sport scores from the Corps Sports. The best games of the season are around the corner with three rinks competing in the RCME colours.

Mr. Dick MacArthur of the SPSS, says he is watching the calendar for another blessed event to happen sometime between now and September.

Several military members of the Workshop attended the currently popular First Aid course given at 10 SDB. All are extremely lavish in their praise of this fine little course, and the excellent manner in which it is conducted.

GRIESBACH SERGEANTS' LADIES' CLUB

The monthly meeting of the Griesbach Sergeants Ladies' Aid Club was held on Wednesday, January 25th.

Elected for the new executive are the following:

Vice-Pres. — Mrs. M. Lewis
Secretary — Mrs. P. Oakes
Treasurer — Mrs. J. Palmer

The president Mrs. Beck, thanked the out-going executive.

A new Entertainment Committee was also elected.

Our meetings are held on the fourth Wednesday of each month, the next being March 22nd.

Your Executive.

MORE EDUCATION ON TELEVISION CHANNELS

Educators today recognize the advantages of classroom television for elementary and high school subjects, and the usefulness of closed circuit television to teach subjects in medicine and dentistry. However, the giving of university credit courses on channel television is still in its infancy in Canada. To date, only three universities have indicated that they have launched such programs. These are Toronto, McMaster and Laurentian (Sudbury) universities. A test run is being made by the University of Saskatchewan where credit will be given to one student only. This will help the university determine the feasibility of future credit courses on a broader scale.

A number of colleges and universities queried by "Canadian Business", say that committees are presently studying the possibility of initiating such courses.

Here is what the universities report:

University of Toronto

University of Toronto in its Live and Learn program, is offering TV lectures as a formal part of the work leading to the B.A. degree. This applies to General Course students registered in Russian.

Enrolment in the TV course is limited to 50 regular students. They meet in groups of 25 for a two-hour tutorial class at the university every second week. These students pay the regular fee, com-

plete weekly exercises and write the same examination as the other students taking Russian. These courses which began in November 1960, consist of 48 half-hour lectures by two members of the department of Slavic studies, Professor Maya Jenkins and George Harjan. They are carried over the Canadian Broadcasting Corporation, Toronto channel from noon to 12:30 p.m. every Saturday and Sunday.

This instruction program has met with great approval throughout the university and community. Over 1,200 persons have purchased text books and television guides. Three supplementary credit and non-credit tutorial classes in Russian have also been based on the TV instruction.

Previous series in the Live and Learn program have dealt with psychology, physics, French literature and geology.

University of Toronto Committee has been active since 1952 and with a second Toronto television channel, expects to embark on other educational series.

McMaster University

McMaster's Extension Department inaugurated its first credit course over Channel 11 early last January. Introductory Biology is the course with TV lectures delivered by Dr. Herman Kleerekoper, professor of zoology at the university. Lectures are televised on Monday, Wednesday and Friday

morning from 7:30 to 8:00 a.m. The series totalling 60 lectures will run until May.

Slides and visual aids are used extensively by Dr. Kleerekoper to illustrate his lectures. Included in the course is a treatment of some of the fundamental principles in biology and a discussion on cells and their properties, the circulatory, respiratory and digestive systems, the principles of muscle function, and the sensory organs. Other lectures will deal with evolution and heredity.

Viewers who register for the course will also attend Saturday morning seminars at the university every three weeks and will write their examinations in June. Textbook costs \$6.75 and a \$75.00 fee is charged for the course. Registration is limited to 200 students.

In all, nine university courses will be given on the Channel 11 Life and Learning series. In addition to the credit course in biology the following subjects will be given: geography, philosophy, psychology, geology, mathematics, engineering and political economy.

If this TV experiment is successful, further television credit courses will be considered.

Laurentian University of Sudbury

Laurentian University inaugurated its first televised university courses for credits on October 18, 1960, over CKSO Channel 5, Sudbury and CKSO's satellite station Channel 3 in Elliot Lake. Courses offered are unique in that they are televised in both English and French. Economics is given in English, by professors Rev. L. Michaud, S.J.; Jacques Peltier and Cedric Rubin. French literature is given in French by Rev. Andre Girouard, S.J. Each course covers one hour per week, one-half hour on Wednesday morning and one-half hour on Saturday morning.

Students who have registered for these courses come from all over the district and as far away as Blind River and Elliot Lake, 100 miles from Sudbury. In all, 30 students have registered. Every month they write a test, present essays and ask questions.

In accordance with the experience elsewhere, the university finds that hundreds of people are following these courses for their own enjoyment and not for credits. In view of the success of these courses, the university is planning future programs of a similar nature.

University of Saskatchewan

For the past 6 years, the University of Saskatchewan has worked in co-operation with CFQC-TV in the production of educational programs, but not carrying credits. Last year CFQC-TV produced a 13-week series of half-hour programs entitled Prelude to Space, assisted by the university's department of physics. Because of the northern location of the university, information can be collected and

collated on the phenomenon of the aurora.

Another university project, Drama and Television, has been undertaken by a senior student of the drama department. He will be granted a class credit mark at the end of the university term, the grade of mark to be determined by the success of the project. Its purpose will be to help the university decide on the feasibility of introducing study material on television to enrolled students of the department in future years. CFQC-TV has made its staff and facilities available to the university at no cost.

A committee of the university council is presently studying television and radio with a view to making recommendations concerning possible university credit courses and general university interest in the subject.

University of Montreal

University of Montreal is not at the moment giving any credit courses on television. However, it is seriously exploring the uses of television for the dissemination of education in the province, but this is in a preliminary stage and details are not yet available.

Mount Allison University

Mount Allison does a great deal of non-credit work on both radio and television. However, the extension committee will shortly be discussing the possibility of an introductory course in sociology for credit over the local Moncton radio station in 1961-62.

University of Ottawa

Here possibility of using television for credit courses is very much in mind. The university has indicated to both the CBC and the proprietors of the new private television station in Ottawa its readiness to collaborate with them in any project they might have to that end.

University of New Brunswick

University of New Brunswick does not have any credit courses on television. Nevertheless, it has been giving considerable thought and study to the possibility of engaging in this kind of instruction in the Saint John area and it hopes to have discussions with CHSJ-TV early in 1961.

University of Waterloo

From time to time the University of Waterloo has considered the possibility of some of its faculty members lecturing on TV, but so far nothing of a concrete nature has developed.

Waterloo's local station CKCO-TV has expressed a willingness to co-operate with the university, and it is believed that something may soon develop along these lines.

University of Alberta

University of Alberta is not presently giving credit courses on television and it has no immediate plans to do so. It has, however, established a committee to

make a thorough study of what the university should do with and about television, and one aspect of the question that they have been asked to study is television courses for credit. No decision is expected to be reached until the end of spring.

NOTES FROM RECRUITING CENTRE

As old Man Winter rears his ugly head, we find the local Recruiters still traversing snow-piled country roads in order to ferret out the most likely prospects for the Army.

The Recruiting Sergeants have been spreading good-will of late by presenting films *a-la-armee* at the Legion Halls throughout their zones. These films are very well received by the Legionnaires who like nothing better than to sit back and reminisce while watching an army film.

Lt. Bridgeman is now back from his course at Churchill and if you'll look close, you'll notice he is still taking a wide pace to avoid getting those imaginary snowshoes tangled. Both Lts. Bridgeman and Robison are of late getting organized for the extensive High School talks campaign which will be getting underway very soon.

AMPHIBIAN OTTER

A combined houseboat and travel trailer solves the question of whether to go overland or cruise on your holidays — you can do both. In spite of its compact size (16'6" by 6'8") the Otter has ample sleeping accommodations for four. There is full headroom throughout, cooking and toilet facilities, storage space, and a cabin roof designed as a sun deck. The hull is of marine plywood and a total weight of under 1,500 lbs. makes it easy for the smaller cars to pull. With a 10 h.p. motor, the cruising speed on water is better than ten knots.

Transistorized Dictating Machine

This machine can be used indoors or out for up to ten hours without power connections. It operates as both dictators and transcriber or either a rechargeable battery or from electrical outlets. The unit is smaller than a sheet of foolscap, only 2 1/2" high, and weighs 5 1/2 lbs.

It records on grooved, magnetic discs which can be filed, folded or mailed without fear of damage and reused more than 10,000 times. All controls are on the microphone, providing fingertip control for start-stop, record, playback and back-space. The microphone performs equally well for private or conference recording, and also serves as a playback speaker.

FOOD SPECIALS

- Margerine (Rose or Tulip)..... per lb. 22c
- Bacon (by the piece)..... per lb. 49c
- Beef Sausage..... 5 lbs. \$1.49
- Cod Fillets..... 5 lbs. \$1.69

Here is terrific special on meats for your fridge or freezer

- (a) 10 lbs. G. Beef pan-ready Patties or Pork Sausage \$4.00

Better Business Tips

A public service feature provided through the courtesy of the Better Business Bureau of Edmonton with a view to informing Griesbach residents of various business practices of which they should be aware.

DANGEROUS DOUBLETALK — from the Better Business Bureau of Lincoln, Nebraska.

Following are some of the phony phrases used all too often by the fringe operators . . . together with some "translations" which may prove helpful:

"YOU HAVE BEEN SELECTED"

Translation: "You look like an easy prospect for a 'sucker-bait' deal."

"I AM MAKING A SURVEY"

Translation: "I'm trying to get my foot in the door to sell you my product."

"I AM NOT A SALESMAN — I AM FROM THE ADVERTISING DEPARTMENT OF GOOK AND CO."

Translation: "If you'll sign a contract to make 24 payments of \$13.44 each, I will give you the merchandise — Yow-suh!"

"I HAVE A FREE GIFT FOR YOU"

Translation: "If you will let me come in and high-pressure you and your husband for two hours, I will give this beautiful imitation pearl-handled beer-can opener."

"MY COMPANY WANTS ESPECIALLY TO DO A JOB ON A HOUSE IN THIS AREA, SO WE CAN USE IT AS A MODEL."

Translation: "We want to sell this 'model' lingo to every homeowner in this area, so we can make a pile of jack and move on."

"WE WILL GIVE YOU A PINKING SHEARS WITH THIS BEAUTIFUL REBUILT SEWING MACHINE AT \$16.00."

Translation: "Just you TRY to buy the \$16.66 machine! If I can't switch you to the \$349.00 Seambuster Deluxe (for only \$259.00, yet!), I'll get out in a hurry and on to the next 'schnook!'"

"WE COMPLETELY OVERHAUL YOUR ENGINE FOR ONLY \$67.32"

Translation: "We will do it for that price if it is in such condition that it doesn't need any work done. Otherwise when we get it torn apart, we'll have to notify you it needs \$113.00 more work done on it. And you can't refuse or we'll charge you darn near that much to put it back together!"

"JUST SIGN the CONTRACT HERE — THE OFFICE GIRL'S GONE HOME BUT SHE'LL FILL IN THE REST TOMORROW . . ."

Translation: "Brother — here's my chance to pad the extras — but good!"

"MY COMPANY IS IN THE PROCESS OF REORGANIZING AND THAT'S THE REASON I CAN MAKE THIS SPECIAL OFFER."

Translation: "If I don't make some sales by hook or by crook I'll be canned for sure."

"YOUR INVESTMENT OF \$2,800.00 IS FULLY COVERED BY INVENTORY."

Translation: "If this guy thinks these ten nut vending machines are worth more than \$17.50 each . . . he's nuts!"

A NEW YEAR ANNOUNCEMENT...

from the

SERVICEMEN'S AUTOMOBILE CLUB LTD.

In line with our policy to continually add to the many benefits offered to the members of the Servicemen's Automobile Club, we announce with pleasure the following additional new benefits effective immediately:

1. **B. F. Goodrich Canada Ltd.** has entered into an arrangement with the Club to provide all Club members with a Fleet Discount Identity Card. This card entitles the Club member to substantial savings on tires and tubes at B. F. Goodrich stores and warehouses across Canada. Savings will also be effected on Home and Auto supplies at Company owned B. F. Goodrich Stores. Present members will receive these cards as soon as printing permits.
2. Arrangements have been made whereby Club members may join the **Dominion Automobile Association** at a reduced annual fee, and receive full membership benefits, including legal counsel, posting of bail, ambulance service and accident insurance in the event of an automobile accident. Also emergency road service is provided anywhere in Canada and the United States. Application for joining the Dominion Automobile Association must be made through the Servicemen's Automobile Club to secure this reduced rate.
3. **Touring Service**
Maps, and listings of Motels are available without charge to Club members by advising the Club the destination and general route planned.
4. **1961 Model Evaluation Chart**
All Club members will receive, upon request, without charge, a copy of the Toronto Daily Star Automobile Evaluation Sheet giving retail prices, specifications, and performance comparisons for 31 different makes and models.
5. The Club is able to offer a complete line of **Travel, Combination and Mobile Home Trailers**, including Serro Scotty, Shasta, Airstream, Pathfinder and Detroit Models at a 10% discount. Financing may be arranged with a down payment as low as 20% and terms to 24 or 36 months through the trailer distributor.

The foregoing **NEW BENEFITS** are offered to Club members in addition to the present benefits listed below:—

- Exclusive membership for Canada's Armed Forces
- Substantial automobile savings through group purchasing power
- Optional equipment and accessories at cost on most makes
- Lay Away Plan bearing interest
- Low Finance 6% Discount Plan
- Life insurance included on amount owed
- Nationwide Finance Service
- Complete insurance coverage available on your present car
- Coast to Coast Insurance adjustment service included
- Complete factory Warranty and Inspection Service Policy issued with each car

THIS IS YOUR CLUB — YOUR SUPPORT WILL ASSURE ITS CONTINUED SUCCESS — WE INVITE YOU TO MAKE FULL USE OF ALL MEMBERSHIP BENEFITS.

For complete details, address all immediate inquiries to:

MALTON, ONT.

SPORTS PAGE

CURLING — MEN'S LEAGUE

The second round robin has been completed, with all rinks staying or moving up and down into their respective sections.

The two top rinks in each section were:

"A" Section

Sgt. J. Willerton and Cpl. G. Pringle.

"B" Section

Major B. T. Sounders and Mr. M. Brandy.

"C" Section

Major F. D. Charman and Sgt. W. D. Switzer.

A 16-rink bonspiel was held on Saturday, February 11th, with Sgt. Joe Willerton (skip), Mr. Max Brandy (third), Sgt. John Coombe (second) and Capt. Fred Sibley (lead), winning the bonspiel by edging out QMS (WO 2) McIntosh's rink.

Six rinks took in the "Palm Spiel" at Cold Lake, February 2nd to 5th. Five rinks seemed to find the bonspielling very tough. The sixth rink, skipped by Sgt. Joe Willerton, won the fourth event.

The Tri-Service play-downs for Alberta are to be played at Penhold on the week-end of February 18th and 19th, with the two rinks of Major A. J. Callaghan, S. M. (WO 1) Lou Jarvis, Sgt. Ken Han-

son, Major W. J. Branton, and Sgt. Joe Willerton, S/Sgt. B. V. Brister, R. S. M. (WO 1) H. Haas, Sgt. W. F. Johnson, representing our club. (Good luck, fellows).

The above rink of Major A. J. Callaghan represented this club in Zone 5 play-downs held at Westlock, who put up a good battle, but — Better luck next year.

Rinks are again reminded that the Western Command Invitational Open Bonspiel is to be held on April 7th, 8th and 9th and that they are to get their entries into Major Branton, 13 Coy RCME, by the 28th of February. The bonspiel is going to be bigger than ever with 88 rinks participating and will be using the rinks at St. Albert, Nampa, Menorah, besides our own.

GRIESBACH LADIES' BONSPIEL

There will be a Ladies' Bonspiel on March 11th and 18th. This spiel is open to:

- (a) Ladies who reside in Griesbach.
- (b) Ladies whose husbands are employed in Griesbach.
- (c) Ladies who are employed in Griesbach.

Entries will be accepted by Jean Willerton at GR 9-1863 or Phyllis

Charles at GR 9-8998. Entry fee of \$2.00 for each curler must be in by March 2nd.

"GIRLS ON THE ROCKS"

Since last going to press, the following entries have been made in the Griesbach Ladies' Curling Club diary:

Friday, January 27th

The club hosted four rinks from Lancaster Park for an afternoon of curling. At the conclusion of eight ends, the girls of both clubs enjoyed a social hour convened very ably by Eileen Mills.

Thursday, February 9th

Four rinks from our club were guests of Lancaster Park Ladies' Curling Club and from all reports they had a wonderful time.

Friday, February 10th

We had a call from Doreen Middlemiss. She is all set to attend her first bonspiel at Cold Lake with Blanche Bolster, Julie Hoare and Carrie Sage of the Crestwood Curling Club, who is to skip the rink. Corinne Lucas is also entering the spiel with a rink from Lancaster Park. Lots of luck, girls!

Sunday, February 12th

Received word from Cold Lake that the rink Corinne played with won the Grand Challenge Trophy and the "A" event of the spiel. Doreen, Julie, Blanche and Carrie won fourth prize in the same event.

Congratulations, girls. We sure are proud of you!

Monday, February 13th

Had a gab with the girls who returned from Cold Lake and they all sang the praises of Cold Lake hospitality and are raring to go again.

At our general meeting today, our President, Doreen Meisner, announced that one rink from our club has been invited to enter the Lancaster Park Bonspiel on February 23rd, 24th and 25th. Plans were also discussed for our own bonspiel on March 11th and 18th.

Thursday, February 16th

Old Man Winter descended on us with a vengeance today and the ladies from Lancaster Park called to say that they were unable to dig themselves out in sufficient time to attend our Invitation Day.

Monday, February 27th

Just three more days to enter the Ladies' Bonspiel!

Tuesday, February 28th

Two more days to enter the Ladies' Bonspiel!

Wednesday, March 1st

I simply MUST enter the Ladies' Bonspiel tomorrow — the 2nd is the last day.

OVERLOADING IS DANGEROUS

Because there are so many types of small boats, specific advice to cover all contingencies about overloading is not practical. How many people may be safely carried depends on several factors: type of boat, distribution of passengers, distribution of materials being carried, etc. Common sense precautions should rate highly here.

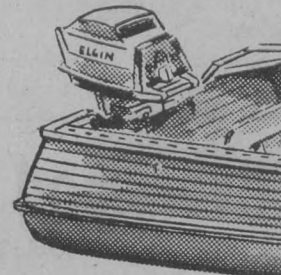

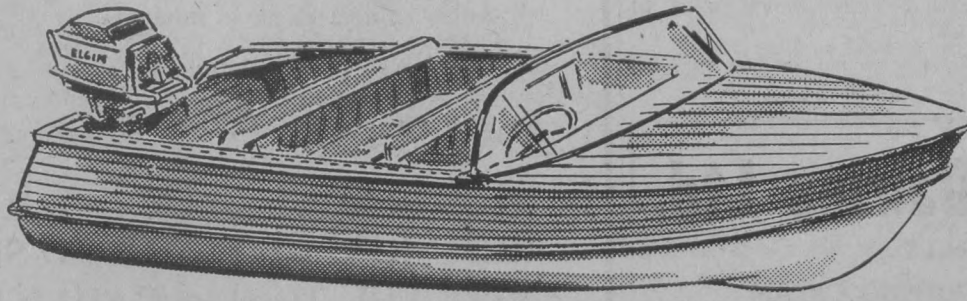

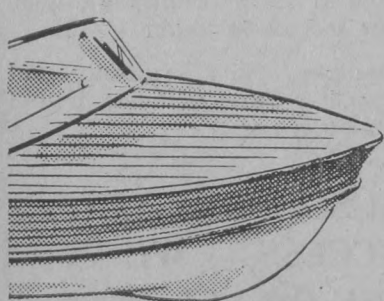

The Department of Transport issues, as a rough guide only, the following notice for posting at holiday resorts, boat hiring stations and camp sites:

| Length of Boat | No. of Persons | — or — | Maximum Weight Load |
|-------------------|-------------------|--------|------------------------|
| 10' | 2 | | 410 lbs. |
| 12' | 3 | | 575 lbs. |
| 14' | 4 | | 740 lbs. |
| 16' | 5 | | 975 lbs. |

One common cause of mishap has been the inexperienced person attaching his outboard motor to a hired boat. Concentrating on starting the motor, he frequently ignores the rudder position so that the quick turn made by the boat on starting results in capsizing. Another cause is the outboard being too powerful for the boat. This places a responsibility on those renting out craft to make sure that motors to be attached are suitable in this respect.

SIMPSONS-SEARS ELGIN -- J. G. HIGGINS

Boat & Camp Show starts Thurs. Mar. 2

Featuring Elgin Boats

- Terrific display — everything from 12 ft. aluminum car top to 17 ft. fibreglass pleasure craft.
- Famous Elgin motors — all sizes.
- Boat hardware and fittings.

LOOK FOR

- J. C. Higgins tents and equipment.
- Complete line cooking and sleeping accessories.
- Camp trailers — for luxury camping — sleep up to six.

Simpsons-Sears is your Edmonton headquarters for all boating and camping equipment — fishing supplies and sporting goods.

GOLF NEWS

At the date of this issue of the Griesbach Bugle, the Annual General Meeting of the Griesbach Garrison Golf Association will be taking place. We look forward to an even more successful season than last year. In next month's issue, at the end of March, the new executive will be giving preliminary details of the activities for this summer.

The Lancaster Park Golf Club details for Griesbach will be issued soon by Capt. H. A. Lucas, our member on the Lancaster Park Executive.

Golfers are reminded of the indoor driving net, located in the PPCLI Drill Hall. The net is available for use only when the Drill

"Carl thinks a Lenten Dish is that little steno he had to give up for the pre-Easter season."

JOINS COMMAND

Major W. B. S. Sutherland of Nelson, B.C. and Calgary, Alberta, has been appointed to the General Staff of Western Command Headquarters.

An officer of the Princess Patricia's Canadian Light Infantry, Major Sutherland was born in Nelson and later attended school in Calgary.

He has served with the Regular Army since 1943, and since December, 1958, has been stationed with the 1st Battalion PPCLI in Victoria, B.C.

Prior to joining the Victoria Garrison Major Sutherland served in Indo China as a member of the Military Component, Canadian Delegation.

POSTED TO CONGO

Sergeant Metro Dumenko of Thorhild, Alta., will be posted to No. 57 Canadian Signal Squadron in the Congo in mid-March, it was announced by Western Command headquarters in Edmonton.

A member of the Royal Canadian Signals, Sgt. Dumenko saw service with the Royal Canadian Navy during the Second World War in the North Atlantic on HMCS Lauzon. He enlisted in the Army in 1950 and transferred to his present posting with the Alberta Signal Squadron, was with the instructional staff in Winnipeg from 1958 to 1960.

Chapel News

OUR LADY OF FATIMA R.C. CHAPEL

CHAPLAIN'S MESSAGE

At the time of writing we are beginning the Season of Lent that is the period of penance preceding Easter, which began on Ash Wednesday, this year February 15th.

It is called Ash Wednesday because that day, the foreheads of the faithful are marked with ashes, made from the palms of the previous Palm Sunday. The last two weeks of Lent are called Passion Week and Holy Week respectively. Then the liturgy follows Christ closely through the last stages of His mortal life.

During the period of Lent, the public life of Our Lord is set before us, including His fast, His Passion and His death. In consonance with the penitential spirit of the season, from Ash Wednesday to Easter Sunday we are expected to abstain from worldly amusements and devote ourselves to more time of prayer, penance and religious exercises.

Before the next issue is published we will have entered the Paschal Season, the joyous time of the Resurrection, Easter Sunday, this year on April 2nd. Easter is always the Sunday after the first full moon following March 21st, that is the vernal equinox.

It is the prayer of your chaplains that during the season of Lent, having faithfully accompanied the Redeemer through His Mortal Life, Passion and Death, that you will all be partakers of the joys of the Resurrection and like the Risen Lord, rise to a new life of Grace and Peace.

OUR LADY OF FATIMA CHAPEL

Once again it is time to hear from your news reporter. By the time the Bugle goes to press and is delivered to your home, the Lenten Season will be well under way.

It has been most gratifying to see so many of the Catholic families of the parish, braving the stormy weather that we had on Ash Wednesday, to participate in the morning and evening services. Both at the mass and the blessing of the Ashes.

During the Lenten Season a mission service will be conducted on a.m. mass.

The ladies of the C.W.A. assisted in a tea that was held on

February 12, at the Marion Centre, Edmonton, Alta.

The choir under the direction of Choir Master, is busy preparing for the Easter Services. It is requested that all members of the choir attend these practices regularly.

The monthly meeting of C.W.A. was held in the Chaplain's Quarters on February 7th, with the president Mrs. Lee Taylor, presiding. Mrs. Rose Luker reported two members in the hospital and flowers sent. We wish these members a speedy recovery. The main topic for the business meeting was on the Bingo to be held early in April. This bingo will replace the Bazaar that the C.W.A. has held in the past years. More details will be given out at a later date.

At the close of the business meeting a lunch was served by the social committee.

We would like to take this opportunity to welcome back to the Parish Father Belanger who has been in sunny B.C. for a period of temporary duty.

It seems that we have a tough time around this parish keeping our padres. As we welcome back Father Belanger, we say Adieu to Father St. Arnaud who has left for the North for a period of temporary duty and it is rumored a little annual leave also. Good luck, Father, in the Frozen North.

Our deepest sympathy goes out to members of the Parish on their recent bereavements — Mr. and Mrs. James Eagle, and Mr. and Mrs. T. West.

Every Sunday

1000 hrs., Bible Class (Chapel Conference Room).

1000 hrs., Sunday School (School No. 1) ages 8 to 12.

1100 hrs., Sunday School (School No. 1) ages 4 to 7.

1100 hrs., Creche and Kindergarten (Chapel Conference Room).

There will be no Sunday School on the 26th of February due to the Church Parade for Brownies, Guides, Cubs and Scouts. Also, there will be no Sunday School on April 2nd, Easter Sunday.

The season of preparation for the great Festival of Easter is upon us with the usual problem of what to "give up." Why Lent is considered a good time to give things up is a puzzle to me unless it is an attempt to prove that we are good Christians through self denial. There is a certain weakness in this type of thinking; in the first place it is hypocritical and in the second place it proves nothing. The smoker who gives up smoking or the drinker who gives up drinking both gain physically and materially from this "self denial." The lady who gives up candy loses weight and gains in vanity.

We are Christians and, as such, Christ himself set the example for us. What did He give up? His life — His time! Rather than give up He "took on" something: Something which caused Him physical pain but spiritual gain. He took on His own shoulders the sins of mankind — He endured the cross.

We may feel that, due to the weather or the time of day, attendance at Church is a hardship but this is one way we can follow in Christ's footsteps and grow in grace. We can all "take on" that little extra by making a special effort on Sunday mornings and on the Wednesday morning and evening services during Lent; it will cost us a few minutes' sleep and a little discomfort but the spiritual gains are tremendous since it will bring us to think a little more about God and through this a little closer to Him.

Let us all take a good look at

the church calendar which heads this column and decide to build our schedule around it instead of deciding whether we can squeeze in a service or two between curling draws and dancing lessons. Let this be our Lenten duty, to attend the Chapel as often as there is a service to the Glory of God for the good of our immortal souls. "If any man will come after me, let him deny himself and take up his cross and follow me."

ST. JOHN'S CHAPEL MEN'S MISSIONARY PROJECT

What is it?

It is an undertaking by men of the Army and Air Force Chapels to educate two young men from Nyasaland.

Where is Nyasaland?

It is a British Protectorate in Central Africa bordering on Northern Rhodesia, Mozambique, and Tanganyika. David Livingstone, the famous missionary, doctor and explorer, first discovered the "Land of the Lake" (as it is called) in 1859 and since then the missionary work of the Church of Scotland has become well established there.

Who are the Men?

Their names are Elijah Mkhupela and Jackson Gomani. They are 18 and 20 years of age and have been attending the Church of Scotland Mission School in Nyasaland. They reached Grade X level and could go no further. So they came eventually to Canada altogether without funds, hoping to further their studies. The Directors of Army and Air Force Chaplaincy felt these young men should be helped and in a venture of faith undertook their further education. The Chapels across the country are being asked to undertake this as a men's project. Look for a picture of these young men in the Bugle. Both are studying in Ottawa. Jackson is studying mechanics and Elijah agriculture. They are doing very well. Jackson made 98% in an algebra test and felt he should have done better! He says mathematics is an exact science — you either know it or you don't. Since he "only" made 98%, he felt he did not know it!

What is the Project?

The last of February. An envelope will be sent to heads of each Protestant family in camp for the contributions of the men. Also envelopes will be available at the Chapel, through the Chapel office, Chaplain's office PPCLI and Command Chaplain's office in the HQ administration building.

How much should I give?

We are hoping for an average of one dollar from each male giver. ut, you may, of course, give as much as you like. Some should obviously give more than a dollar while others may not be able to give that much.

How do I give?

The best way to give is to put your gift on the Chapel plate at

a service of worship. If you can't do this, bring it to the Chapel office or give it to Lieut. Jessome, Miscellaneous Pay — The Chapel Treasurer.

"For as much as ye have done it unto one of the least of these my brethren, ye have done it unto me."

THE PADRE.

ST. JOHN'S W.A.

The annual meeting of St. John's Women's Auxiliary was held on January 24th. Reports were given by the following committees:

Social — Mrs. Patriquin
Welfare — Mrs. McConnell
Chancel — Mrs. Hutcheson
Finance — Mrs. Moody

Mrs. Wray gave a full report on the working of the auxiliary for the past year.

We were happy to have Mrs. Duncan, wife of Command Chaplain, install the new executive for 1961. Mrs. Duncan spoke briefly to each member on her responsibility while serving on the Executive Committee. She also pointed out to all the ladies of the auxiliary the part they play in assisting the executive. On behalf of the ladies of the auxiliary, Mrs. Duncan thanked Mrs. Wray, past president and her executive for their excellent work in the past year.

The New Executive:

President — Mrs. Gwen Jarvis
Vice-Pres. — Mrs. Doris Patriquin
Secretary — Mrs. Barbara Hutcheson
Treasurer — Mrs. Jane Johnson

Conveners:

Welfare — Mrs. Joan Haley and Mrs. Connie McConnell
Social — Mrs. Thora Wagn, Mrs. Nora Pratt and Mrs. Ella Swantek.
Bazaar — Mrs. Wray and Mrs. Kemsley.

Chancel — Mrs. Jean Nickerson and Mrs. Eunice Parton.

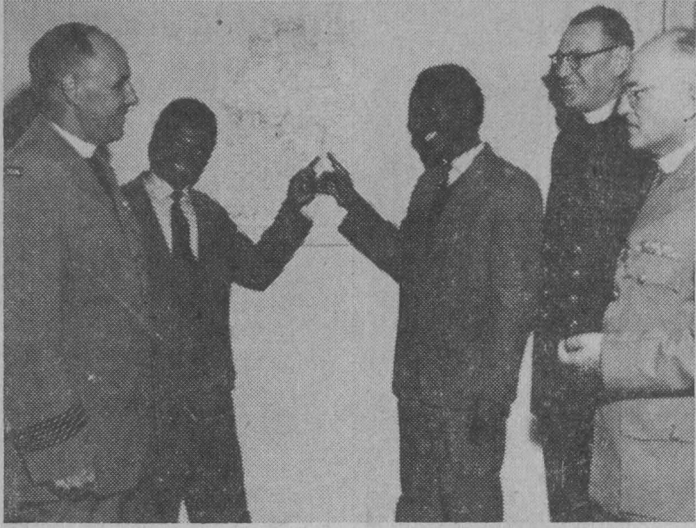

Devotions — Mrs. Flo Youmatoff.
Phoning — Mrs. Helen Hughes.

In order to carry out our Welfare Program to the best of our ability, we would appreciate a phone call to Mrs. McConnell at GR 4-1942, if you know of anyone who is ill.

In the near future we are hoping to start on our sewing projects for this year's bazaar and would ask the Protestant ladies to keep us in mind when doing their spring sewing. Small pieces of left-over material suitable for doll's clothes, apron trim, etc. will be most gratefully received by any member of the W.A.

Our meetings are held on the second and fourth Tuesdays of each month at 8:00 p.m. and we would be most happy to welcome you as a visitor or new member.

A phone call to Helen Hughes GR 7-5388, or Gwen Jarvis at GR 7-5963, will ensure that you have someone to accompany you to the meetings, if you so desire.

Left to right: W/C A. R. MacIvor, CD, D/DRA RCAF, (P); Elijah Mkaupela; Jackson Gomani; The Reverend H. Ploughman, CD, Deputy Chaplain of the Fleet, (P); Lt. Col. H. A. Merklinger, CD, D/D Chaplain of the Army.

EVEPHONE

A telephone-style communication instrument sits on the executive's desk and allows him to call directly to the organization's radio-equipped vehicles without making a trip to the dispatcher's office. This new extension is designed for use with fixed stations, or remote control units, and is equipped with push-to-talk handset, a speaker mounted in the base and a volume control.

The unit should be useful to chiefs of police, superintendents of construction companies, or anybody wanting to save steps.

RETIRES

Edmonton, Alta. — Major, Cliff Watson of Toronto, retired from the regular Army last month with more than 20 years continuous service.

A member of the Royal Canadian Ordnance Corps, he enlisted in 1940 and saw service in the United Kingdom, Italy and North-west Europe during the Second World War.

His wife Winnifred, and son Bruce, 9, live at 12911 - 136th Ave., Edmonton.

Knowledge comes by taking things apart — analysis. But wisdom comes by putting things together.

NEW ARRIVALS

Sergeant Gordon Manktelow of Ajax, Ont., is a new arrival at No. 10 Detachment, Royal Canadian Army Medical Corps.

Formerly employed with No. 2 Medical Detachment at Fredericton, N.B., he will now be employed at the Col. Newburn Pavilion at the DVA Hospital here.

Sergeant Walter Gutsch of Saskatoon, Sask., recently arrived for employment at No. 10 Service Detention Barracks.

A member of the Canadian Provost Corps, Sgt. Gutsch was formerly with the Calgary Provost Detachment.

Provost Detachment News

During January and February the detachment has been conducting an Auxiliary Police Course for two static units in Griesbach. The units, 17 ROD RCOC and 14 Coy RCASC now have a "pool" of 54 qualified personnel who can be used to support existing military and civilian police agencies in the event of a national emergency.

Each of the four courses run was of one week's duration in which time the candidates studied such subjects as Traffic Control, Police Procedures, Crowd Control, Basic Police Holds and many others. In all, each of the courses proved to be a busy but beneficial week to the candidates.

Congratulations are in order for the successful candidates.

10 S.D.R. News

Apologies to our readers for the non-appearance of this column in last month's issue. Failed to meet the deadline, the cardinal sin of reporting.

BIRTHS

To Sgt. and Mrs. "Hank" Commance, a bouncing baby boy, on January 14th. Score 5, all boys and girls. You may get that hockey team yet. Hank.

HOSPITAL

Regards to our Chief Clerk, Sgt. Lieberb, presently enjoying a bit of sick leave after surgery on his right hand. With the fishing season coming on apace, better get that flipper in shape, son.

ARRIVALS

To our latest staff members, Sgts. Gutsch and Tardivel, Salaam Aleikum and welcome! May your stay be long and happy.

SPORTS

On the curling front the Wood rink is going well. Stood 7 and 6 for the second series; good enough to place near the top of "B" Section. On February 13th won the "Losers" half of the "16" Spiel, narrowly edging the Freeman rink from this honour.

Further on curling 'Earl' Smith and a pick-up rink travelled to Cold Lake for the RCAF Bonspiel. Said they had barrels of fun. We suspect that there was more than fun in those barrels.

The "Fred" Lewis entry in the Mixed Bowling League are rolling along and stand among the top half of the league. No high singles or triples to report this month, but having loads of fun and keeping down the waistline.

2 PPCLI NEWS

Complete Exercise

Exercise Snow Chinthe 2 commenced on January 31st with an "alert warning" from Western Command. Units from Calgary and Winnipeg were despatched to the Hamilton Gault Barracks to lend support for the exercise. The air-borne element of the battalion group flew to Fort Nelson, B.C., and then back to Wainwright, which simulated Whitehorse, Y.T. Following the drop of the air-borne element into Wainwright on February 3rd, the remainder of the battalion group were air-transferred into Wainwright from Edmonton. Both C119 and C130 aircraft were used in the air-transported phase.

Once on the ground, the battalion was quickly engaged in a mobile battle with a "Fantasian" company group provided by 2 QOR of C, Calgary. After four days' operation under unseasonably mild temperatures, the ceasefire was declared and all units returned to their home stations.

The battalion is now engaged in a period of individual training with the maximum numbers of personnel attending courses.

Bingo This Friday

On March 3rd a Bingo game will be held in the PPCLI Drill Hall, commencing at 8:00 p.m. The bingo will be followed by dancing. A transistor radio will be given away as a door prize plus \$500.00 in cash prizes. Liquid refreshments, coffee and hamburgers will be available. All personnel in the Griesbach area are invited to attend.

Annual Celebration

On March 17th the battalion will celebrate the birthday of the Colonel-in-Chief. Plans this year are for a battalion and PPCLI Depot parade followed by the traditional games, including "broom-a-loo", plus various mess activities.

Officers' Mess

On February 1st a "Members' Night" was held to better acquaint ordinary members with the honorary and associate members. In spite of an interruption caused by members having to attend orders for Exercise Snow Chinthe 2, the evening was quite successful.

On February 17th Valentine's dance was held. The Mess was tastefully decorated for the occasion with a large number of members and guests in attendance.

On February 22nd a Mess Dinner will be held with all honorary members of the Mess attending.

Plans for mess functions commemorating the birthday of the Colonel-in-Chief on the 17th of March, have not yet been finalized.

Sergeants' Mess

Since returning from Exercise Snow Chinthe 2, all mess functions have recommenced.

The Saturday night Bingo attendance has shown a steady increase. This is undoubtedly due to the efforts of the Bingo committee in ensuring a smooth-running evening's entertainment. The prizes at these Bingos are excellent.

The Sergeants' Mess Curling League continues with our "experts" sharpening their game in anticipation of a bonspiel to be played at the end of March.

The Reliance Moving Company has donated to the Mess a Sgt. R. Moody Memorial Trophy. This trophy will be competed for at the Mess Annual Bonspiel.

Corporals' Mess

Euchre, cribbage, and dart tournaments are now held in the Mess each week-end. These will continue until the summer concentration.

The Bingo and Dance which was to be held in mid-February, was cancelled due to the PT Lounge not being available. Because of the Battalion Bingo on March 3rd and the birthday celebrations for the Colonel-in-Chief on March 17th, no Mess functions will be held until March 31st.

The Mess welcomes back Cpl. J. Rose from Indo-China. Cpl. Rose claims to have done a lot of big game hunting during his tour of duty in Indo China and presented the Mess with a trophy of a bottle of "Export 33" beer. This is now on display with our other sporting trophies. We also welcome Cpl. "The Brow" Anderson on his return.

During February L/Cpls. Anderson and R. Jourdain were promoted to Corporals. Ptes. W. E. Brown, L. J. Connell, J. L. Dichie, and V. H. Wainwright were appointed Lance Corporals.

The members bid farewell to Cpls. W. E. Charleton and W. F. Joiner on their postings from the unit.

Congratulations are extended to L/Cpl. and Mrs. R. A. Neill on their first addition to the family, a baby girl born on the 30th of December.

How reasons a society that will rise in wrath at the mistreatment of an animal, yet look the other way at the physical abuse of a child?

Get Lost? Not Any More

OTTAWA. — An automatic navigation aid, developed by the Canadian Army for use in tanks and other military vehicles, will soon ensure soldiers against getting lost while manoeuvring in a strange country.

The device, which instantly provides the commanders of fighting vehicles with positional and navigational information, is called the Canadian Navigation Set, Land, ehicular, Cl — or "Navaid", for short.

The set will be of great assistance to troops travelling in vehicles across featureless or poorly mapped country. It will also enable fighting vehicles to operate in darkness or fog without going off course.

During the Second World War and the Korean conflict, many casualties resulted because commanders of fighting vehicles sometimes could not get a quick "fix" in unfamiliar terrain. Use of the new automatic navigation equipment will solve this old problem.

"Navaid", operating on the principle of dead reckoning and requiring no radio assistance, indicates to the vehicle commander the vehicle's position as a numerical map reference and shows the heading as a bearing in degrees. A map board also displays the position and heading of the vehicle as a spot of light on a standard Army map for easy reference. The self-contained vehicle navigation set is now being procured for the 4th Canadian Infantry Brigade Group in Germany.

OTTAWA. — Officers and men of Canada's armed forces, who serve in the Congo, will receive a special allowance of \$100.00 a month in addition to their normal pay and allowances, the Department of National Defence has announced recently.

The special allowance is the same for all ranks and is retroactive to December 1st, 1960.

At the present time the Canadian Army has some 280 soldiers serving in the Congo. The Royal Canadian Air Force has approximately 30 officers and men stationed there. This figure does not include the crews maintaining the RCAF airlift to and from the Congo.

BROWNIE AND GUIDE MOTHERS

At the February meeting Mrs. Montalbetti gave a talk on guide camps of previous years. It is hoped two camps may be held this year. These would each be of one week's duration. The girls will live in the out-doors as much as possible and sleep under canvas.

Mrs. Patterson discussed Brownie camp which is not as energetic as Guide camp. Brownies sleep in-doors and even have a stove inside. Two camps of four days each are being planned.

As some mothers will be a little anxious about sending their children away, as aren't we all, perhaps some of you may wish to apply for staff vacancies which must be filled within the near future. Please contact Mrs. Montalbetti or Mrs. Patterson for further information.

Transportation is our only other problem of the moment. Anyone wishing to transport children to camp, may contact Mrs. Murphy.

On March 21st we will be holding our next meeting in the staff room of No. 1 School. All mothers interested are invited to attend. Do bring your cup for coffee after the meeting.

CUB AND SCOUT MOTHERS

Our next meeting will be held March 13th, in the teachers' staff room of No. 1 School at 8:30 p.m.

We will have Mr. Rod McGeechie, Regional Commissioner for Cubs, as our guest speaker. His subject will be Skeleton Lake Camp, and films of the camp will be shown. Due to a misunderstanding, he was unable to keep his engagement with us last month.

We wish to thank all mothers who were at the last meeting and look forward to seeing you and many more at this and other meetings.

BABY SITTERS

Mrs. W. J. Arnott — PMQ 586. Phone GR 4-2124.

Mrs. J. Kunkel, PMQ 583. Phone GR 4-2124 (message).

2nd GRIESBACH BROWNIE PACK

Brown Owl: Doris C. Church
Since our last bulletin we have received six new Tweenies. They are Victoria Kemeley, Susan Ranger, Violet Covey, Susan Durocher, Dorothy McGuire and Mary Dupe. We were also pleased to welcome Brownies Nancy Bunning from Germany and Sherry Malthouse from Camp Wainwright. Dianne Jourdain received her 3rd year star and went up to Guides on January 11th. She is now with No. 3 Company.

Congratulations to Hilary Komley who was awarded her Golden Hand at the Frolic on February 4th. She passed all her tests and did very well.

Betty Jean Smith has received her Golden Bar and Collector's Badge was earned by Diane Ahearn.

Good work, girls!
New sixers and seconds are as follows:

Bonnie Wenker — Sixer.
Susan Stewart — Second.
Betty J. Smith — Second.
Nancy Bunning — Second.

GRIESBACH COMMUNITY LIBRARY

Book reading in Griesbach during the past month has fluctuated with the thermometer. The children and younger teens account for about half the library circulation with around 5% of the adults using the library. This trend in circulation and reading is similar to other public libraries, however, the Griesbach library with an excellent selection of adult books available, should attract more adults.

For the information of new comers, in particular, the library is located between the post office and the bank. It is open on Saturday morning from 9:00 a.m. to 11:00 a.m., also Monday and Wednesday evenings from 7:00 to 9:00 o'clock. Membership is free, however, a small fine is levied on books not returned within 2 weeks. Pocket books and comic books will be exchanged, also donations of books of any type are appreciated as about two thousand more books are wanted.

"D" CUB PACK

We would like to welcome to the Pack: Dale Stewart, Dennis Doerksen and Lorne Smith.

We are sorry to see Melville Barnes leave us. He has taken a higher step to Scouts. Good hunting, Melville.

Investitures — Billy Alexander, son, Ace Laboucane, Alan Bolster, and Cameron Reid.

2nd Star — Melville Barnes
Collector's Badge — Melville Barnes

2nd Year Service Star — Jim Covey.

PPCLI Depot

All personnel of the Unit are being kept very busy these days with the great influx of recruits.

The following Platoons are undergoing training at this time:

GULLY
HITLER LINE
GOTHIC LINE
RIMINI LINE
SAN FORTUNATO
FOSSO MUNIO
NORTH-WEST EUROPE
KOREA
KAPYONG

Our Detachment at Currie Barracks, Calgary, has been in operation since the New Year. Gully and Hitler Line Platoons are now undergoing Part 3 training at that location.

We wish to welcome Cpl. J. W. Simmons to the Unit. He will become part of our staunch QM staff.

Our physical training instructional cadre has also been bolstered as we welcome S/Sgt. J. Kennedy and Cpl. H. L. Gates to

the fold. S/Sgt. Kennedy's wife Anne and his family have recently taken up residence in PMQs. We hope their tour will be a happy one.

Congratulations are extended to S/Sgt. B. J. Brister who recently became the proud father of a baby girl.

Another Depot party was held in the Physical Training Building on the evening of February 24th. This occasion was to say farewell to CSM (WO 2) J. C. Devlin who recently left the Unit on retirement. CSM Devlin was presented with a Silver Mug and his wife was presented with a beautiful bouquet of flowers. The party was a great success and from all indications everyone had a wonderful time.

CSM (WO 2) J. C. DEVLIN, CD

CSM Devlin was posted to 10 Personnel Depot in Calgary on the 3rd of March, 1961, where he will commence retirement leave immediately. CSM Devlin was a member of the NPAM and served with the Edmonton Fusilier Regiment from October, 1929, to January, 1940. At that time he became a member of the Active Force and served in Canada and the United Kingdom. In October, 1946, he was posted to the 1st Battalion PPCLI as a Sergeant. He was promoted S/Sgt. on December 7th, 1950, and served in the Far East with the

How To Select A Reliable Pharmacist To Fill Your Prescription

It is easy to select a reliable pharmacist if you follow this simple rule: Select your pharmacist as you select your doctor. When you select a physician to care for you and your family, you choose a qualified MAN who is reliable and in whom you have confidence. We hope, also, that these will be the reasons you will choose our pharmacy as the source of your prescription and health needs.

In caring for the sick, as in all human situations, there is absolutely no substitute for integrity — integrity of the physician and

integrity of the pharmacist who fills your doctor's prescription. Of integrity is born confidence and reliability.

What about prescription prices?

It is the steadfast policy at Namao Rexall Drugs to offer you the **Lowest Prices Possible** consistent with the highest professional standards of quality.

So remember . . . when it comes to prescriptions, come to Namao Rexall Drugs to be sure.

SAVE WITH CONFIDENCE AT NAMAO REXALL DRUGS
